Did we hit the nail on the head?

At GMH the best way to measure customer satisfaction with our work is through the recommendation of our company to your family members, friends or business associates. We attribute our business growth to our amazing customers. A large percentage of our business comes not through advertising, but through our past customers.

To show our appreciation we have developed a referral program when you bring us new business.

1. Fill out this referral certificate. Or send us an email at greg@gmh-remodeling.com and include the referral's name, email, phone and what project they might be interested in.
2. Tell your friends or family that you have referred them to GMH and ask them to mention your name when they contact GMH or we contact them.
3. We will call and set up a meeting with your referral to learn more about their project.
4. You will receive a cash gift once your referral has signed a contract.

New contracts that have been signed after March 1st, 2020 qualify for the gift.

Past and current customers of GMH.

Do I have to fill out a form to receive credit?

What if GMH already has the referral's contact information and has meet with them in the past?

Only clients whose information we have originally received because of your referral will be eligible.

Is there a limit to the number of referrals I make and cash gifts I earn?*

No. We are happy to receive as many referrals as you can give!

How is the referral paid and can I track my referral?

We will call and email you once your referral has signed a contract to let you know the check is in the mail.
